PROFILE

Hi! I'm Shin Thant Lwin, a passionate Frontend Developer with 2+ years of experience specializing in React and Next.js with a solid foundation in UI/UX design. I've worked on a range of projects, including admin dashboards, e-commerce platforms, invoicing systems, and job seeker sites. I specialize in building responsive, user-friendly websites using React, Next.js, and frontend frameworks like Tailwind CSS, Bootstrap, ShadCN, Material UI, and Framer Motion

WORK EXPERIENCE

Frontend Developer
2023 - 2024

Circles X, Yangon Myanmar
- build user-friendly websites with React and Next.js
- collaborate with designers to enhance user experiences in a supportive team.
